

# Questions

## **Who Is Eligible To Apply?**

Any Virginia resident with a disability who intends to use the loan to buy equipment, supplies, or inventory to establish or support a home based business. The employment can be full or part time.

## **How much can I borrow?**

There is no minimum amount. Individuals can borrow up to \$30,000 and beyond with exceptions.

The NewWell Fund will consider individuals with no credit history or poor credit. Special consideration is given to disability and medically related credit issues.

## **How Do I Apply?**

Contact the NewWell Fund to obtain an application or visit the website. For assistance in completing an application, contact the Center for Independent Living in your area at the website [www.vadrs.org/cbs/cilslisting.htm](http://www.vadrs.org/cbs/cilslisting.htm).

# Home Works Loan Program

## What Types of Equipment Can I Purchase?

The Home Works Loan Program is a low interest loan program for Virginians with disabilities that operate home based businesses, or who are teleworking for an employer, and need business related equipment, supplies, or inventory. The purpose of the program is to increase opportunities for self employment and home based work by reducing barriers such as transportation, inaccessible work environments, or the need for personal assistance.

- Computers, printers, and software
